capacity building for the pdf

Capacity building (or capacity development) is the process by which individuals and organizations obtain, improve, and retain the skills, knowledge, tools, equipment and other resources needed to do their jobs competently or to a greater capacity (larger scale, larger audience, larger impact, etc). Capacity building and capacity development are often used interchangeably.

Capacity Building for Organizational Effectiveness

The mission of this Challenge Grants program is to strengthen the institutional base of the humanities by enabling infrastructure development and capacity building.

Infrastructure and Capacity Building Challenge Grants

1 Partners in Education A Dual Capacity-Building Framework for Family-School Partnerships My vision for family engagement is ambitious! I want to have too many parents demanding excellence in their schools. I want all parents to be real partners in education with their children's teachers, from cradle to career.
