Caste advocates social exclusion and democracy advocates social inclusion. Caste provides wealth, power and status to specific groups but democracy provides equal chance to all categories irrespective of bias. However, the peculiarity is that both caste system and democracy co-exist in Indian society.

Caste politics. Caste in Indian society refers to a social group where membership is decided by birth. Members of such local group are endogamous, i.e. they tend to enter into marital relationships among themselves. They often have related political preferences, similar to the racial preferences for the Democratic and Republican parties in the USA.
