You don't know how it happened, but it happened. Only one pair of your jeans fits, and none of your suits. You put away all the old pictures of her, say goodbye to her Wonder Woman features.

The Cheater's Guide to Love | The New Yorker

Why Women Cheat Most women have affairs for very different reasons than men. By Tammy Worth When Thea and her husband moved to Los Angeles a few years ago, she had no friends close by and was alone frequently while her husband worked long hours. Though Thea says her husband was the "best friend someone could have," the spark and sex were gone.

Why Women Cheat - Emotional Affair

Consequently, infidelity is supposedly now a part of their genetic disposition. There always seems to be an excuse for men cheating--and just as many for women not to. Society never fails to remind us that it is different when a man cheats because he can do so without getting emotionally involved, unlike a woman.
