The history of Chechnya may refer to the history of the Chechens, of their land Chechnya, or of the land of Ichkeria.. Chechen society has traditionally been organized around many autonomous local clans, called taips. The traditional Chechen saying goes that the members of Chechen society, like its taips, are (ideally) "free and equal like wolves".

I exploit variation in the identity of soldiers who conducted so-called "sweep" operations (zachistki) in Chechnya (2000-05) as an empirical strategy for testing the link between ethnicity and violence. Evidence suggests that the intensity and timing of insurgent attacks are conditional on who "swept" a particular village.
