Chess is a two-player strategy board game played on a chessboard, a checkered gameboard with 64 squares arranged in an 8Ã—8 grid. The game is played by millions of people worldwide. Chess is believed to have originated in India sometime before the 7th century. The game was derived from the Indian game chaturanga, which is also the likely ancestor of the Eastern strategy games xiangqi, janggi ...

Valentin Abillo has created a page with chess problems for chess programs. Language: English. Ajedrez y Computadoras is a sort of mark of respect to the "machines", that is to say electronic chess boards, which have given the webmaster many pleasant periods of amusement. The page also contains history around the standalone chess computers, images and product information.
