by you and the school and the teachers; whereas, in college, you must have the discipline to make and live with your own schedule. These free periods between classes are excellent times to: (1) go over your notes in preparation for your next class, and (2) review the notes from the ... *Study Strategies for Success in College*

Study Strategies for Success in College

College is supposed to be a time when such differences recede if not vanish. The notion of shared self-discovery for all students is, of course, a staple of exhortations to freshmen just coming in and valedictions to seniors about to go out — an idea invoked so often that it, too, has become a cliché.
