Are college ruled papers similar to any kind of lined paper? Tapping in to the historical context of lined paper, a paper has horizontal lines with even spaces in between. Papers first had lines that were wide ruled measuring up to 8.7 mm. Medium ruled paper measuring 7.1 mm was then created, which is now the modern college ruled paper. Wide ruled are used by children in kindergarten and elementary. By the time students reach high school and college, they start using college ruled paper.
