Conflict within the place of work is a perennial challenge for companies. no matter if it is a confrontation among colleagues, a dispute with administration or large-scale commercial motion, clash negatively impacts either humans and earnings as worker morale and productiveness fall.

**David Liddle's Managing Conflict: A Practical Guide to**

Conflict happens when you have a situation in which your concerns, desires, preferences, and/or goals differ from those of another person. Conflict centers on the differences between two or more individuals ( as well as groups or organizations) and how they choose to handle those differences. It can be positive.
