International relations theory is the study of international relations (IR) from a theoretical perspective. It attempts to provide a conceptual framework upon which international relations can be analyzed. Ole Holsti describes international relations theories as acting like pairs of coloured sunglasses that allow the wearer to see only salient events relevant to the theory; e.g., an adherent ...

Introduction. In this module we will evaluate SQL query performance tuning in a relational database management system (RDBMS) setting. As a basis, consider that organizational data contributes to an organization's competitive advantage and this data must be accessible, timely, relevant and accurate (Porter, 1985; Robbins & Judge, 2007; Satinger, Jackson & Burd, 2002).
