### **Controversies In Globalization Contending Approaches To**

The World Bank regularly is condemned for failing to pay attention to the effects of its policies on the human rights of people; much the same applies to the external relations of the European Union which, while waving

the banner of human rights and democracy, are seen by many as imposing standards on poorer nations.

### **Contending Approaches to International Organizations**

Since the field of International Relations was established almost a century ago, many different theoretical approaches have been developed, each offering distinctive accounts of the world, why it has come to be the way it is, and how it might be made a better place.
