Learn how setting limits can help you declutter your home and put you back in control of what comes is in. This technique can even help experience a greater sense of abundance!

Control Clutter and Stay Organized With Limit Setting | Clutter Tip

Don't let your clutter control you. Start small, perhaps one shelf at a time, or one pile at a time and remind yourself that you don't have to tackle the entire project in just one day. It takes months or years for clutter to build up, and it won't unclutter itself in a day.

Get Organized and Control the Clutter | HGTV

Now that you've cleared away the first level of clutter, you're ready to tackle the real issues. Open up your space and unclutter your mind! If you know what your vision is for your space , it's time to choose a room.
