In this second instalment of the three part article series focusing on capital and credit management, we explore how broker-dealers are coping with the changes in regulation, the operating models they are having to implement, key trends and future changes.

### **Capital And Credit Management: Broker-Dealers Coping With**

The SEC sits at the top of the broker-dealer regulatory hierarchy. As you might expect, just as there are rules that apply to a broker's work, so are there guidelines that cover the activities of the SEC and its Commissioners. Some of these provisions are more pertinent to my day-to-day duties than others.
