As an organizational leader, you will help plan, carry out, and administer programs to train employees and

lead businesses to success. With an organizational leadership degree, you can work in nearly any industry that interests you, and you will typically spend your time at work giving presentations, leading training activities, and working directly with employees.

### **Online Bachelor's Degree in Organizational Leadership**

Recent ethical scandals in business (Colvin, 2003, Mehta, 2003, Revell, 2003) have raised important questions about the role of leadership in shaping ethical conduct. Most employees look outside themselves to significant others for ethical guidance (Kohlberg, 1969, Treviño, 1986). Therefore, in the workplace, leaders should be a central source of such guidance.
