In literature, alliteration is the conspicuous repetition of identical initial consonant sounds in successive or closely associated syllables within a group of words, even those spelled differently. As a method of linking words for effect, alliteration is also called head rhyme or initial rhyme. For example, "humble house," or "potential power play." A familiar example is "Peter Piper picked a ...

The availability of good peaches is starting to waneâ€but not completely. Summerâ€™s not quite over yet in California. To buy fruit for canning (or anything, really), my new trick is to go to the farmerâ€™s market around 12:30. This is the magic time when vendors start putting things on sale. I love supporting local farmers, but I also love saving a few bucks.Keep Reading Â»
