Magic Items and Detect Magic. When detect magic identifies a magic item's school of magic, this information refers to the school of the spell placed within the potion, scroll, or wand, or the prerequisite given for the item. The description of each item provides its aura strength and the school to which it belongs. If more than one spell is given as a prerequisite, use the highest-level spell.

There are hundreds of long-distance footpaths in the United Kingdom designated in publications from public authorities, guidebooks and OS maps. Most are in rural landscapes, in varying terrain, some passing through National Parks and Areas of Outstanding Natural Beauty. There is no formal definition of a long-distance path, though the British Long Distance Walkers Association defines one as a ...

Drow society is primarily matriarchal, with priestesses of their evil spider goddess Lolth (sometimes spelled Lloth) in the highest seats of power. However, in the original world of Greyhawk campaign setting created by Gary Gygax, Drow rank structure was based much more on personal experience level and proven personal

abilities rather than on gender.
