the hammer-blows of Darwinism on Deism. The physico-theology of the eighteenth century and the popularity of Gilbert White and the like survived the squeezing of natural theology by Paley and the Bridgewater Treatises a century after Wisdom ..., and contributed to a peculiarly British understanding of natural theology.

### **John Ray, physico-theology and afterwards\***

Natural theology, once also termed physico-theology, is a type of theology that provides arguments for the existence of God based on reason and ordinary experience of nature. This distinguishes it from revealed theology, which is based on scripture and/or religious experiences, and also from transcendental theology, which is based on a priori reasoning.
