and laid the foundations of Japanese economic history research and teaching at Kyoto Imperial University, where he held a chair from 1906, he was an economic and social historian on the history side. As seen in UCHIDA's case, the historical origins of economic and social history in Japan are found in two separate disciplines.

History of economic and social history in Japan Ver3.1 3

process. Japan's political system is healthier than ever before, though it will be tested heavily by new global pressures, rising inequality, and a rapidly aging population. This book seeks to explain what happened to create Japan's new political economy, how it matters, and what it means for Japan's future.
