Postmodernism is a broad movement that developed in the mid- to late-20th century across philosophy, the arts, architecture, and criticism and that marked a departure from modernism. The term has also more generally been applied to the historical era following modernity and the tendencies of this era. (In this context, "modern" is not used in the sense of "contemporary", but merely as a name ...

Postmodernism - Wikipedia

Postmodernist film is a classification for works that articulate the themes and ideas of postmodernism through the medium of cinema. Postmodernist film attempts to subvert the mainstream conventions of narrative structure and characterization, and tests the audience's suspension of disbelief. Typically, such films also break down the cultural divide between high and low art and often upend ...
