The Sections offer members a greater voice in the programs of the State Bar and up-to-date information on developments in particular fields of law.

Sections - State Bar of California

Ethics is a key component of good governance (Perry et al. 2014) and has significant potential to affect public trust in all forms of government (Joyce 2014). Previous research has identified a number of factors that can shape standards of conduct within an organization, among which the role of leadership has attracted significant attention (Grojean et al. 2004; Steinbauer et al. 2014).

Health Sector – UHC, National Health Policy, Family

Indian Constitution regards improvement of public health as State's primary duty. In practice, however, private healthcare sector is responsible for the majority of healthcare in India, and most healthcare expenses are paid out of pocket by patients and their families, rather than through insurance. Government health policy has thus far largely encouraged private sector expansion in ...

Code of ethics. A code of ethics is an explicit document that lays down the expectations of a professional working in the field. The Australian Community Workers Code of Ethics sets the tenor for exemplary community work practice and is the benchmark for all human service practitioners. The founders of the Association first developed a code of ethics to guide members in their practice.
