Advocacy Stop Raising Awareness Already . Too many organizations concentrate on raising awareness about an issue—such as the danger of eating disorders or loss of natural habitat—without knowing how to translate that awareness into action, by getting people to change their behavior or act on their beliefs.

Spirituals (or Negro spirituals) are generally Christian songs that were created by African Americans. Spirituals were originally an oral tradition that imparted Christian values while also describing the hardships of slavery. Although spirituals were originally unaccompanied monophonic (unison) songs, they are best known today in harmonized choral arrangements.
