This article examines the most prominent ethical theories from the view point of economic rationality. Authors argue that utilitarian perspective which used to be connected with classical concepts of rationality in economics is not the only approach to understand reasoning behind the human behaviour.

Is Ethics Rational? Teleological, Deontological and Virtue

Kantian ethics refers to a deontological ethical theory ascribed to the German philosopher Immanuel Kant. The theory, developed as a result of Enlightenment rationalism, is based on the view that the only intrinsically good thing is a good will; an action can only be good if its maxim “ the principle behind it “ is duty to the moral law. Central to Kant's construction of the moral law is the ...

An interesting side discussion was started in what proved to be a very popular post thread for The War Brides of Europe, and rather than let it disappear beneath a thousand-plus comments I thought I'd pick up on an old post I've had in my drafts for a while now.. One of the foundational ideas of Red Pill awareness from the earliest PUA years has been the 80/20 concept "80% of women want ...

1. Fundamental Elements of Contractarianism. The social contract has two fundamental elements: a characterization of the initial situation, called variously the "state of nature" by the modern political philosophers, the "original position" by Rawls (1971, 17-22, 118-193), or the "initial bargaining position" by Gauthier (1986, 14-16, 131-134, passim), and a ...

The following is an excerpt from the Red Pill Reddit forum I've been following recently. I had an emailer ask me to opine about this situation and, for as much as I'd like to brag about having a previous essay for any occasion, I realized I hadn't really covered this situation. Well, not in any great depth!
