A real estate broker or a real estate agent is a person who represents sellers or buyers of real estate/real property. While a broker may work independently, an agent must work under a licensed broker to represent clients. Brokers and agents are licensed by the state to negotiate sales agreements and manage the documentation required for closing a real estate transactions.

Stock Quotes, Business News and Data from Stock Markets

Real estate economics is the application of economic techniques to real estate markets. It tries to describe, explain, and predict patterns of prices, supply, and demand. The closely related field of housing economics is narrower in scope, concentrating on residential real estate markets, while the research of real estate trends focuses on the business and structural changes affecting the industry.
