PEs are also treated with "blood thinners." For very large clots in the lungs causing severe symptoms, or large clots in the legs, a medication to dissolve the clot may

Focus on Blood Clots - VascularCures

Reality television is a genre of television programming that documents supposedly unscripted real-life situations, and often features an otherwise unknown cast of individuals who are typically not professional actors. Reality television exploded as a phenomenon in the late 1990s and early 2000s with the global success of the series Survivor, Idols, and Big Brother.
