A restaurant (French: [É•É›stoÉ•É'ìf] ()), or an eatery, is a business which prepares and serves food and drinks to customers in exchange for money. Meals are generally served and eaten on the premises, but many restaurants also offer take-out and food delivery services, and some offer only take-out and delivery. Restaurants vary greatly in appearance and offerings, including a wide variety of ...

There has never been a book in the foodservice industry that focuses solely on the expertise needed to open a restaurant. All the published books and manuals focus on restaurant and foodservice management. This manual is designed to provide a sort of "internship", preparing you thoroughly with a detailed guide to opening your restaurant within a required and realistic pre-opening budget.
