If you do not see a menu at the top of the page, first try to make the window wider. If you make the window wide enough the menu will appear going across the top of the page. If you can't make the window wider, click on the words SOUND CITY READING on the left side of the green or black bar at the top of the page. The menu headings will appear along the bottom edge of the green or black bar.

With Common Coreâ€™s emphasis of reading nonfiction text, the comprehension strategy of determining importance is absolutely essential for readers. Determining importance means that the reader can distinguish the important information from text so they can decipher the main ideas and key details if reading expository (nonfiction) texts and the gist of the story when reading narrative (fiction ...

Apple Inc. v. Samsung Electronics Co., Ltd. was the first of a series of ongoing lawsuits between Apple Inc. and Samsung Electronics regarding the design of smartphones and tablet computers; between them, the companies made more than half of smartphones sold worldwide as of July 2012. In the spring of 2011, Apple began litigating against Samsung in patent infringement suits, while Apple and ...

However, if you are discussing, for example, the historical context in which the episode originally aired, you should cite the full date. Because you are specifying the date of airing, you would then use WB Television Network (rather than Mutant Enemy), because it was the network (rather than the production company) that aired the episode on the date you're citing.

Chapter 3 Verbal Communication. In my junior year of college, I took a course in semantics, which focused on verbal language and solidified my interest in language. I love learning about the history of words, learning new words, and seeing how language changes over time and from one context to the next.
