

seasons greetings from south pdf

A season is a division of the year marked by changes in weather, ecology, and amount of daylight. On Earth, seasons result from Earth's orbit around the Sun and Earth's axial tilt relative to the ecliptic plane. In temperate and polar regions, the seasons are marked by changes in the intensity of sunlight that reaches the Earth's surface, variations of which may cause animals to undergo ...

Season - Wikipedia

The Christmas season, also called the festive season, or the holiday season (mainly in the U.S. and Canada; often simply called the holidays), is an annually recurring period recognized in many Western and Western-influenced countries that is generally considered to run from late November to early January. It is defined as incorporating at least Christmas, and usually New Year, and sometimes ...
