Seminal works on the topic were identified and reviewed to gain an understanding of the topic's development. A working definition is proposed and implications for theory, scholarship, and organizational practice are discussed.

Employee Engagement and HRD: A Seminal Review of the

Although on a corporate level some objectives can be long-term, on a department level we could use a subobjective to express a short-run goal. The establishment of objectives and the development of their respective action plans are the most critical steps in a company's management process.

There's a S.M.A.R.T. way to write managements's goals and

The review did not focus on individual components of a performance management system, such as cost-analysis, health improvement planning, community health assessments, and internal management assessments. 3. Categorizing literature into thematic areas, and selecting a few "hot picks" (most useful items) for annotation.
