Facebook Business: Marketing on Facebook

Adele released her second studio album, 21, on 24 January 2011 in the UK and 22 February in the US. She said that the album was inspired by the break-up with her former partner. The album's sound is described as classic and contemporary country and roots music. The change in sound from her first album was the result of her bus driver playing contemporary music from Nashville when she was ...
