things and lower their self-esteem by being told negative things about them that is untrue. Domestic violence is a choice and batterers must be accountable for their actions.

What is Domestic Violence? Myths & Realities

Sex differences in crime are differences between men and women as the perpetrators or victims of crime. Such studies may belong to fields such as criminology (the scientific study of criminal behavior), sociobiology (which attempts to demonstrate a causal relationship between biological factors, in this case biological sex and human behaviors), or feminist studies.

Violence is a significant problem in the United States. From infants to the elderly, it affects people in all stages of life. In 1992, CDC established the National Center for Injury Prevention and Control (NCIPC) as the lead federal organization for violence prevention. CDC is committed to stopping violence before it begins.

Through the Live Your Dream Awards, we invest more than \$2 million in education grants to about 1,450 women every year. These women have overcome incredible challenges including poverty, domestic and sexual violence, and addiction. They are on a path to a new life, and the Live Your Dream Awards support them in achieving their goals.

Music plays an important role in the socialization of children and adolescents. Popular music is present almost everywhere, and it is easily available through the radio, various recordings, the Internet, and new technologies, allowing adolescents to hear it in diverse settings and situations, alone or shared with friends. Parents often are unaware of the lyrics to which their children are ...
