Physical attractiveness is the degree to which a person's physical features are considered aesthetically pleasing or beautiful. The term often implies sexual attractiveness or desirability, but can also be distinct from either. There are many factors which influence one person's attraction to another, with physical aspects being one of them.

In a few weeks time (October 12th) I'm going to be leaving Open Data Services Co-op and starting a short career-break of sorts: returning to my research roots, spending some time exploring possible areas of future focus, and generally taking a bit of time out.. I'll be leaving projects in capable hands, with colleagues at Open Data Services continuing to work on Open Contracting ...
