A couple of friends and I are making this pattern as a gift for a fellow quilter, but in a much lively palette. I eyed the pattern and the cutting directions for a few minutes and decided it would be ever so much easier to strip piece the alternating narrow horizontal strips rather than stringing together skinny pieces since those rows are all the same.

A quilt is a multi-layered textile, traditionally composed of three layers of fiber: a woven cloth top, a layer of batting or wadding, and a woven back, combined using the technique of quilting, the process of sewing the three layers together.. The pattern of stitching can be the key decorative element if a single piece of fabric is used for the top of a quilt (a "wholecloth quilt"), but in ...
