"The Rise and Fall of American Growth makes use of economic history to argue that Americans should expect the rate of economic growth to be, on average, slower in the future than it has been in the recent past. Gordon is the most important exponent of the pessimistic view working today and this is an exceptional book."

Rise and Fall of the British East India Company Formation and Organization The British East India Company was formed to share in the East Indian spice trade. This trade had been a near monopoly of Spain and Portugal until the Dutch moved into the region in the 1600s; after which they maintained the same control by trying to keep out other nations.
