101 Ways to Succeed in Selling - Greg Gore

decided to take a job in sales to learn the business. Once she started selling, she never looked back. Lisa now has over twenty years of sales and sales training experience in payroll and human resources services, financial services, and other business-to-business (B2B) industries. She started her selling career in 1989

This text was adapted by The Saylor Foundation under a

This book, on the other hand, contains 21 of the most important principles for sales success that I have discovered in the training of more than 500,000 sales professionals in 23 countries. Each of these strategies is time and field tested to boost your sales and your personal effectiveness immediately.

Be a Sales Superstar - Secret Selling Tips - your key to

According to the 80-20 rule, 80 percent of sales are made by 20 percent of the salespeople. Once you get into the top 20 percent, you don't have to worry about money or employment again. Your job is to get into the top 20 percent and then into the top 4 percent.

Sales Training Manual - CANROCK DIVISION

This, I believe, is the first book to take a completely fresh look at larger sales and the skills you need to make them succeed. As you'll see, many of the things that help you in smaller sales will hurt your success as the sale grows larger. Major sales demand a new and different set of skills, and that's what this book is about. 2.
