It was cool and dark in there, with lit windows all along the walls. Behind the glass, all sorts of lizards and snakes were crawling and slithering over bits of wood and stone. Dudley and Piers wanted to see huge, poisonous cobras and thick, man-crushing pythons. Dudley quickly found the largest snake in the place.

The next morning, though, he found the stone sitting on the window sill. Now Maibon's baby was having trouble. He was cranky from teething, but no tooth was to be seen! Maibon's wife begged her husband to get rid of the stone. This time, Maibon dug a shallow hole and put the stone into it. But the next day the stone sat glittering above ...

The Scream. In 1895 Munch created a lithograph stone from which several prints produced by Munch survive. Only approximately four dozen prints were made before the original stone was resurfaced by the printer in Munch's absence. Both painted versions have been the targets of high-profile art thefts.
