

the southern railways withered pdf

The Southern Region was a region of British Railways from 1948 until 1992 when railways were re-privatised. The region ceased to be an operating unit in its own right in the 1980s. The region covered south London, southern England and the south coast, including the busy commuter belt areas of Kent, Sussex and Surrey. The region was largely based upon the former Southern Railway area.

Southern Region of British Railways - Wikipedia

The Atlantic Coast Express (ACE) is an express passenger train in England that has operated at various times between London and seaside resorts in the South West England. It is currently operated as a summer only service by Great Western Railway between London Paddington and Newquay

Atlantic Coast Express - Wikipedia
