

the spirits book the pdf

The Spirits Book (Le Livre des Esprits in original French) is part of the Spiritist Codification, and is regarded as one of the five fundamental works of Spiritism. It was published by the French educator Allan Kardec on April 18, 1857. It was the first and remains the most important spiritist book, because it addresses in first hand all questions developed subsequently by Allan Kardec.

Animal Spirits: How Human Psychology Drives the Economy, and Why It Matters for Global Capitalism (2009) is a book written to promote the understanding of the role played by emotions in influencing economic decision making. According to the authors, economists have tended to de-emphasize the importance of emotional factors, as the effects of emotions are difficult to model and quantify.
