Language education refers to the process and practice of acquiring a second or foreign language. It is primarily a branch of applied linguistics, however can be considered an interdisciplinary field. There are four main learning categories for language education: communicative competencies, proficiencies, cross-cultural experiences, and multiple literacies.

Studying Abroad Can Change the Way You See The World. Study Abroad Programs give you the opportunity to experience the world as your classroom. Rather than picking things up from books and the Internet, navigating a new landscape may open your eyes to culture, history, a new language or your heritage.
