International relations theory is the study of international relations (IR) from a theoretical perspective. It attempts to provide a conceptual framework upon which international relations can be analyzed. Ole Holsti describes international relations theories as acting like pairs of coloured sunglasses that allow the wearer to see only salient events relevant to the theory; e.g., an adherent ...

Anthony Ulwick has taken the guesswork out of innovation. For 25 years he has worked to guide companies to success. He has done this by introducing us to Jobs-to-be-Done theory, and converting it to practice using his rigorous innovation process known as Outcome-Driven Innovation.. The vast majority of innovation projects fail.
