Gross domestic product (GDP) is the market value of all final goods and services from a nation in a given year. Countries are sorted by nominal GDP estimates from financial and statistical institutions, which are calculated at market or government official exchange rates. Nominal GDP does not take into account differences in the cost of living in different countries, and the results can vary ...

The Scroll & Seven Seals. Before I get into the details, we must define what the seals are all about. Revelation 5:1-10 And I saw in the right hand of him that sat on the throne a scroll written within and on the backside, sealed with seven seals. And I saw a strong angel proclaiming with a loud voice, Who is worthy to open the scroll, and to loose the seals thereof?
